PETITION

On the initiative of the *Sea Shepherd Conservation Society* and the *Swiss Cetacean Society-SCS*, the undersigned are urging the delegation of the Swiss government to the International Whaling Commission (IWC) to take a constant, firm and unambiguous stand against any form of whaling; in accordance with the will of the federal council, when in 1979, Switzerland joined the IWC.

Prolongation: Send it back before May 30th 2011
