A photograph of a man and a woman standing on a paved street in a village. The man, on the left, is wearing a red short-sleeved shirt and dark trousers, and is gesturing with his hands as if speaking. The woman, on the right, is wearing a purple top and dark pants, and is looking towards the man. In the background, there is a white church with a dark roof and a steeple, surrounded by other buildings and trees. The sky is overcast. Two blue speech bubbles are overlaid on the image, containing text in a non-English language.
