A man wearing a green and black striped safety vest and a dark t-shirt is leaning his head against the hood of a white car. He is wearing glasses and has his arms crossed over his head. The car's windshield has several papers on it. In the background, there are other cars parked in a lot, a building, and mountains under a cloudy sky. A large purple thought bubble is positioned above the man's head, containing the text 'Karrikaz trunpatü nintzen...'.
